Group ideas

Take turns sharing your ideas while clustering similar or related notes as you go. In the last 10 minutes, give each cluster a sentence-like label. If a cluster is bigger than six sticky notes, try and see if you can break it up into smaller sub-groups.

⌚ 20 minutes

Detailed Product Listing

Start your inventory management with a neatly organized product catalogue.

Barcode Generation & scanning

Enable faster billing by allocating a bar code to each unique product.

Inventory Reports

Monitor your inventory performance using the reports generated by the inventory management software.

Bulk Add & Bulk Edit

The inventory software allows you to quickly add products from its build library that features more than 1000 products from different industries.

Centralised Dashboard

The Dashboard option in the inventory management system provides a quick and detailed glance at your inventory state.

Easy categorisation

The inventory management system allows you to add a category to every item or product.
